

THE CLOPAY RESERVE

collection®

Custom Series

Great visions are an accumulation of detail.

*Y*ou put an extraordinary amount of effort into your home. A good deal of yourself, too. That's what makes it so very satisfying.

Now, The Clopay Reserve Collection offers you the opportunity to further individualize your home. To refine its cumulative impression. With a Custom Garage Door.

Our Custom Garage Doors allow homeowners to create doors that are perfectly suited to a specific architectural style or aesthetic preference. Each door is handcrafted from superior materials to precise specifications. And, since these are upward acting doors, operation is simple and convenient.

THE CLOPAY
RESERVE
collection®

Every Custom Garage Door is individually crafted by our skilled artisans. A proven four-layer construction method makes these doors exceptionally durable, thoroughly dependable.

Custom doors are up to three inches thick, providing excellent insulation and outstanding wear. Exteriors are available in a wide array of woods and finishes. Inside, commercial grade hardware, die-cast-rollers and aircraft wire make your door exceedingly durable.

Architectural Designs: You may create a wholly original door design or modify a design from our semi-custom line. Your Custom Garage Door will then be built to your precise specifications, including size, type of wood and style of windows (if any).

Wood Selects: Your choice of wood is limited only by market availability. Check with your Clopay dealer. The door can be stained or painted to match or complement your home.

Sizes: Nearly any door opening can be accommodated, but individual doors may not exceed 8' high or 18' wide.

Windows: If windows are desired, any design is available. All are double pane 1/8" glass.

Warranty: All doors and their hardware are warranted for five full years.

Finishing: The door must be properly finished prior to installation for the warranty to be valid. It is required that the door (inside, outside and all edges) be primed and painted with a high quality exterior paint or stained with a penetrating stain that is mildew and UV resistant and water repellant. Complete finishing instructions are provided with the door.

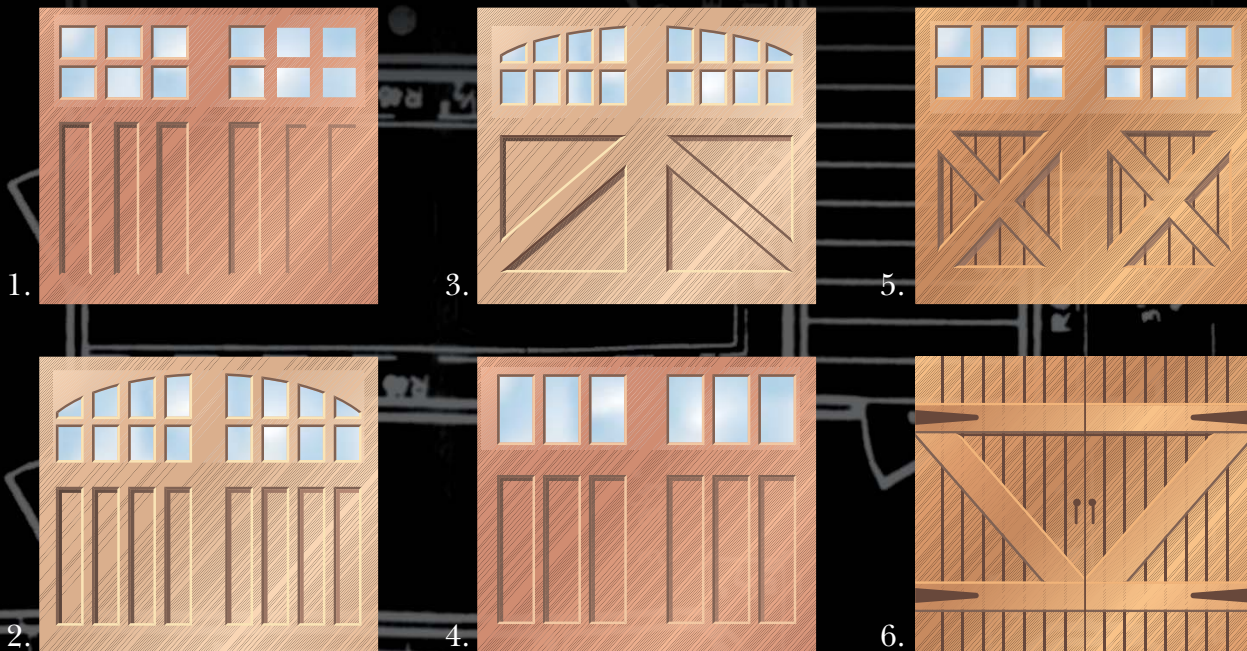

Maintenance and Care: Proper care and maintenance are imperative to the appearance, longevity and performance of a Reserve Collection door. The door must be stained or painted every 1-2 years to protect and seal the sections against the elements. Exposure to sunlight and moisture will break down the finish, causing the door to rot and warp if not properly maintained. Complete maintenance instructions are provided in the Reserve Collection supplemental instructions. For full details and further information about The Clopay Reserve Collection Custom Garage Doors, or to place an order, contact your Clopay Dealer.

To find the dealer nearest you call 1-800-2CLOPAY (1-800-225-6729) or visit us at www.clopaydoor.com.
